

# 7 REASONS WHY YOU SHOULD SEND YOUR INCREDIBLY HARD-WORKING, DESERVING EMPLOYEE TO THE

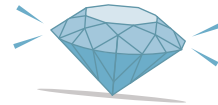

**Unite your team** outside of work. Create shared experiences among your team.

Meet potential collaborators, new clients, experts in the field, and maybe a new employee.

They'll get inspired to make even more beautiful, but also **highly effective websites** and apps.

Smashing Conference always puts the customer experience first. Did you know that **conversions will increase significantly** by making your website only 300ms faster? Loading time can have a big **impact on your revenues**, so we'll cover web performance, as well!

Throughout the conference, we gather all the information in a handy Google Document so that **attendees can share their learnings** with other team members or managers **afterward**.

We work hard to keep our tickets affordable also for small companies: Early Bird Tickets start at USD 499. Make sure to save \$100 if you book a conference ticket and a full-day workshop together!

San Francisco is easily connected by two separate airports. And, if you're based in SF, your staff won't have to travel far! Just take a Lyft or the BART to the Palace of Fine Arts, in the Presidio.
